The season will be run on a points only system where the team with the highest number of wins will be the champion team. Points will be allocated as 2 points for a win, 0 points for a loss and 1 point each for a draw.

Game stats, player and goalie stats will be kept and posted each week at the venue and on the website.

As usual we will play 3 on 3 and games will be 2 x 20 minute periods with a 2 minute break at half time.

The clock will start at the designated start time whether players are ready or not as we have limited time and the second game is as important as the first and should have equal time to the first.

Players can not be borrowed unless there are less than 3 regular players available for any one team.
